

## SCHEDULE OF REPORTING DATES

### Candidate Committee

(Schedule for candidates who are not running in the 2006 election)

At the conclusion of the 2004 election, candidates with a surplus or deficit must continue reporting with the Commission until the surplus has been disbursed or the deficit has been cleared. The following schedule must be followed until a final Supplemental Report reflecting no surplus or deficit has been filed along with a "Request for Registration Termination" form or until the candidate files nomination papers to run in an election. If a candidate files nomination papers to run in 2008, the candidate must request a reporting schedule for candidates that are running in that election.
